Reflecting on PeaceTrees' 26th Anniversary Event

On October 25th PeaceTrees welcomed guests from all over the world to honor 26 years of peace and partnership. We want to extend our most sincere gratitude to everyone who participated, and partnership. We want to extend our most sincere gratitude to everyone who participated, and our parents, community members, and volunteers.

Heavy Rains Reveal Dangerous Bombs

Early November brought heavy rains to central Vietnam, unearthing several dangerous bombs. On November 8th, PeaceTrees teams were notified by the Quảng Trị Mine Action Center about two Confirmed Hazardous Areas (CHAs) in the same commune, while also providing Explosive Ordnance Risk Education (EORE) to students in the area.

The donation will be made at no extra cost to you, and you will be contributing to PeaceTrees Amazon to a charity of your choice. All you need to do is start your shopping at smile.amazon.com.

A PeaceTrees EOD team using bamboo poles to transport the heavy bomb weighing closer to 800 lbs., was deemed too dangerous to move so it was flagged and will be handled at a later date. The second bomb, a large bomb discovered in Huong Hoa District. PeaceTrees EOD technicians spent five challenging hours removing a 500 lb. bomb and transported it to be safely destroyed.
